REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1,2, and 5-9 are allowed over the references of record because none of these references disclosed or can be combined to yield the claimed invention such as a semiconductor device having, at the very least, each and every limitation of claim 1, especially including the limitation that the conductive member have a thickness in a second portion within through-holes located in the electrode and ILD that is greater than its thickness in a first portion within the substrate.

It is noted that US 20010027011, US 20020151169, and US 6563079 (which published internationally on 8/31/2000) all disclose semiconductor devices with each and every limitation of claim 1 with the exception that in these prior art disclosures conductive members 70,20A, and 20A, respectively, of 2001/0027011, 2002/0151169, and 6,563,079 are at least as thick in the substrates of the disclosed devices as they are above in their respective second portions.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
